

Building Services Supervisor

The Royal & McPherson Theatres Society is accepting expressions of interest for a full time Building Services Supervisor to develop and implement a comprehensive maintenance and cleaning program for the interior and exterior of Victoria's two historic gems the Royal Theatre and McPherson Playhouse.

Your 5-plus years of building service, operations and supervisory experience will support work in short and long term planning, issues of employee safety, maintenance, cleaning, repairs, renovation and alteration of furniture, equipment, fixtures, physical plant and grounds, budgeting, record keeping as it pertains to department, staff and personal hours worked, liaison work with other departments, clients and suppliers and the training, supervision, motivation and scheduling of department staff and other duties as assigned. This position is represented by I.A.T.S.E. Local No. 168 and comes with a comprehensive salary and benefits package.

Interested applicants should email foh@rmts.bc.ca for a complete job description and list of required skills and qualifications. A copy of your resume and a cover letter that addresses the above list and how your past work is relevant to this position, should be emailed to djohns@rmts.bc.ca or faxed Att: D Johns (250) 361-0805, no later than Monday, January 25th at 4:30pm.
